TOTAL DAYS 183

Note: The ECLC of New Jersey school calendar is developed annually and prior to its adoption, compared with one of ECLC's sending public school districts to ensure that ECLC's length of school day is comparable to that of a public school district and to ensure that the number of early dismissal school days for our students is NOT in excess of the number of early dismissal school days in a public school district. ECLC compares itself for these factors with the Bayonne Public Schools
