

Welcome Back ECLC Families!

This year, the ECLC Chatham PTO will once again be using the **MySchoolAnywhere** service for our annual directory, online store, volunteer signups, paying PTO dues and email communications.

It's secure, easy to use, and free to families.

Using this great resource requires all families to register if you are new to our school or you had not done so last year. Please go to the site below, enter our school's code and follow the steps to register your family. You can specify what information you'd like to appear in the directory - or choose not have any personal information appear at all.

Register at: join.myschoolanywhere.com
Invitation Code: [chathameclc](#) (all lower case)

Follow the prompts and enter your information.

All families that join & register will have access to the Student Directory and the Weekly PTO email Newsletter.

Once we've had a chance to input your family information, you'll receive an email with login credentials and instructions to access the system.

If you are already registered from the previous school year, please update your account if you have made any changes such as a new email or phone number.

Questions? Contact our system administrator at: ptochatham@eclcofnj.org

Install the Free app! *After you get your login information*, download the app by searching for MySchoolAnywhere in the iTunes App Store or Google Play. The app allows you to access our directory, manage your family information, make a purchase in our store and signup for volunteer activities all from your phone!
