

RONALD MCDONALD HOUSE CHARITIES

ECLC has been collecting pop tabs for the Ronald McDonald House for over 10 years. Each classroom has a container to fill with pop tabs and they are collected monthly by the students in Room 202.

This year we brought 24 large containers of soda tabs to the Ronald McDonald House in Long Branch. We donated about 80 pounds of tabs. These will be cashed in at a local recycling center. The money is used to assist the House with expenses such as household supplies and food for the families that stay there.

The collection of these tabs not only benefits the RM House but it also gives the students a chance to feel proud about helping others in need. The students use math skills by weighing the tabs that are collected and keeping a record of how much each class donates. At the end of the year, the 3 classes that collect the most tabs receive a special treat.

Thanks to all who have donated tabs through the year. Please continue to save the tabs during the summer!!!!
