FROM THE HEALTH OFFICE

Respiratory Illness Update 5/3/24

Guidance from the State of New Jersey has changed in that Covid is treated the same as other respiratory viruses such as flu and RSV. There is no isolation period. Everyone should continue to monitor for signs and symptoms of illness. As with all illnesses, anyone with a fever needs to stay home until fever free for 24 hours without the use of fever reducing medication such as Tylenol or Motrin. When sick, students and staff should stay home until symptoms have improved to the point where they can be in school and participate fully, as they did before getting sick. In addition, once feeling well enough to return to school, students and staff should wear a mask for 5 additional days, continue to monitor, test for respiratory illness and medical evaluation as needed.

Please monitor your child for any signs or symptoms of illness, keep them home when sick and notify the health office. If you'd like, and your child is able, they can wear a mask in school.

We have some home Covid tests from the Department of Health. If you would like us to send a two-pack home with your child, please let us know.

Dear ECLC Parents, Faculty, and Staff,

Box Tops is BACK!!!

ECLC of Ho-Ho-Kus is back participating in the Box Tops for Education Program. There is no need to buy anything special and nothing to sell. Just look for the Box Tops logo on hundreds of products like Cheerios, Hamburger Helper, and Kleenex. All you need to do is scan your receipt after grocery shopping - each one is worth 10¢ for ECLC. We raised over \$700 last year from your submissions, but we would like to do much more.

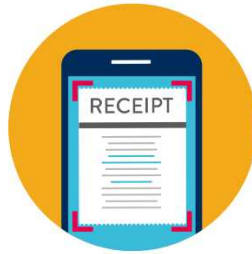

You can learn more about the program; download coupons, shop online and earn even more for ECLC at www.boxtops4education.com

We can very easily raise over \$1,000 with everyone's help. This is a very easy program that raises money and does not cost the students, parents, or the school any money. Please see the next page for instructions on how to download the app and navigate to scan the product.
