## What's Happening in ESY

ESY 2021 may be winding down, but our classes are busier than ever! Room 103 took a CBI trip to 7-11, where they used their money skills in a real-world situation, while Room 101 practiced the dollar-up method in anticipation of a walking trip to the Giant Farmer's market. And because we are celebrating the Summer Olympics, the students created their own medals. Lastly, Room 201 took their second walking trip to Waldwick.

Attention All Families and Staff

ECLC of NJ's reopening committee for Ho-Ho-Kus and Chatham campuses have been meeting. We have made modifications to our original reopening plan. We will meet again before school starts to update the plan if needed. The plan will be posted on the ECLC website and will be sent home with the September opening letter.

I will be available during the month of August if you have any COVID-19 or health concerns. Please continue to notify me if your child receives the vaccine or if they test positive for COVID-19. It's best to get in touch with me by email—

[ehorgan@eclcofnj.org](mailto:ehorgan@eclcofnj.org).

I wish you all a safe, healthy, and restful August, and I look forward to seeing everyone in September!

Liz Horgan
