First Lemonade Sale is HUGE SUCCESS!

Room 103, under the direction of Ms. Shea, made **REAL LEMONADE** from scratch and served it refreshingly cold to students and staff alike. The bargain price of only \$0.25/cup guaranteed brisk sales which were tallied by Mariel S in the class cash register. Joe S helps Ms. Stevenson serve while John H enjoys his first sips! The line was out the door and half-way down the hall! Congratulations 103 on showing us all how it's done!

Important Update
From the Health Office

At the end of ESY, all medications have to be returned. If we have medication for your child in the health office, and your child will NOT be in school on the last day of ESY-August 1st, please notify the health office so we can send home medications on their last day.
Thank you!

Welcome to the Extended School Year (ESY)! Here are a few covid updates/reminders:

- If you have traveled out of the country before returning to ESY and you are not up to date on COVID vaccines—fully vaccinated and boosted if you are eligible—you are required to quarantine for 5 days after returning, and it is recommended you test before returning to school.
- NJ is now using the CDC COVID map. Bergen County is yellow—moderate. While we are yellow, mask wearing will be optional. If we change to red (high), we will put universal masking back in place.
- We're seeing that when some people have a rapid test at the same time as a PCR test, the rapid is negative and the PCR is positive. Please be aware of this if you have symptoms and get tested. The PCR test is more accurate.
- If you have COVID symptoms, you should get tested!
- We will continue with the Test-To-Stay (TTS) protocol if your child is a close contact and not up to date with vaccines.

If your child gets sick, is tested, or tests positive, please email Liz Horgan at ehorgan@eclcofnj.org.

Health packets for next year will be distributed during ESY.

We wish you all a safe, relaxing, healthy ESY and remainder of the summer!

Liz & Kristen
