**Important Notice from the Health Office**

**December 12, 2024**

Dear Parents/Guardians,

We want to give you an update on illness that we have seen in school recently.

There has been a variety of viral illnesses – covid, flu, RSV and rhinovirus.

It is very important that you monitor your child for signs of illness and we very strongly ask that you keep your child home when they are sick and contact their primary care physician for evaluation.

If your child is diagnosed with any illness, please notify the health office so that we can monitor illnesses throughout the school.

In order to protect your child, especially with the upcoming holidays and break, you can certainly send your child to school wearing a mask.

In order to protect others, please keep your child home if they are sick and bring them to the doctor to be evaluated and tested if indicated.

Liz & Kristen
